

We can help

Worried about your own or someone else's alcohol or drug use?

We offer free and confidential advice, support and treatment for people in Gloucestershire aged 18+.

You can visit our service in person or contact us by phone or email.

Any professional, such as a housing support worker, social worker, GP or nurse can also make a referral for you.

Working together for healthy, independent lives and enriched communities

Making-a-change

Free and confidential advice, support and treatment for people in Gloucestershire aged 18+

Your first visit

We'll talk about your concerns and make a plan together.

This care plan will help you reduce or stop your drug or alcohol use – making sure you receive the right support at the right time for you.

Help and advice for family, friends and carers on how best to support you during your recovery is also available.

“Thank you to everyone for listening to me when I needed someone to talk to. I felt they went ‘above and beyond’ supporting me in my recovery.”

How we help

At our service, you can get:

- Advice about your health and wellbeing
- Regular sessions with your personal keyworker
- A range of different support groups
- Women-only support and safe spaces in partnership with The Nelson Trust

Together, we can also look ahead to what's next for you.

This could be motivational programmes, education, training and employment support, peer mentoring and volunteering.

Evening appointments, online groups, and telephone or video sessions are also available to fit around your other commitments.

Talk to us about what works for you.

Via Capital Card

Earn points by taking part in your treatment and spend points on activities in your local community.
